ABOUT US

Powerful Outdoor Advertising Solutions Delivering Results

RUNNING ADZ are the leading specialists in effective and eye-catching mobile outdoor advertising solutions (especially rickshaw advertising) and events for businesses and agencies nationwide. We offer the widest range of digital (Black Range) and non-digital (White Range) 'state of the art' advertising vehicles and outdoor mobile media, ambient media and transport media options available in the Pakistan's market

Running Adz own and operate our fleet of mobile advertising and event services which includes both digital and poster advertising vehicles (Advans, Adtrailers, Adbikes, Adscooters) as well as a range of mobile screen hire for campaigns and events.

Running Adz, with many years of experience, knowledge and proven delivery in the outdoor market place and events business, are well positioned to help clients and agencies effectively dissect all the Out-of-home (OOH) and Digital Out-of-home (DOOH) opportunities available; as well as plan and buy a wide choice of relevant outdoor media, experimental marketing or events to add extra value to the marketing mix.

PRODUCTS

We're helping great companies triple their revenues

We're not your traditional digital marketing agency. We're not satisfied with doing the bare minimum. We'll set you up with a specialist. Not an account manager.
